Providence Senior and Community Services is committed to improving the quality of life for those with chronic and/or life-limiting conditions. Working in a spirit of loving service, our ministries strive to meet the growing health needs of those in our communities as they journey through life.

Providence Senior and Community Services offers a full range of health care services for people of all ages that can be provided in the home or in a number of facility-based settings. We are committed to providing access and choice through innovative, customer-centered options. For more than 150 years, our mission has been to serve the frailest in our communities.

Providence Senior and Community Services ministries touch, on average, nearly 12,000 people every day.
